

## HV-115

### FEATURES

- IR Camera
- satisfactory minimum illumination of 0.2 Lux
- 1/3" SHARP 420TVL LED 20
- Signal-to-noise ratio of 48dB

### SPECIFICATION

### HV-115

| SPECIFICATION         | HV-115                                 |
|-----------------------|--|
| Model                 | HV-115                                 |
| Image Sensor          | 1/3" Sharp Color CCD                   |
| Total Pixels          | PAL 537(H) x 597(V)                    |
| Effective Pixels      | PAL 500(H) x 582(V)                    |
| Resolution            | 420 TVL                                |
| Sync.System           | Internal sync                          |
| Scanning system       | PAL : 625 lines / 50 Fleds             |
| S / N Ratio           | More than 48dB                         |
| Electronic Shutter    | Auto / manual 1/60(1/50)-1/100,000 sec |
| Min.Illumination      | 0.2 Lux / F2.0                         |
| Video Output          | Composite 1.0Vp-p/78ohm                |
| Horizontal            | PAL : 15.625 KHz                       |
| Vertical              | PAL : 50Hz                             |
| DC Power Source       | DC 12V                                 |
| Power Consumption     | 1.4(W) (Max)                           |
| Current               | 290mA (Max)                            |
| Weight                | 0.25Kg                                 |
| Operation Temperature | -10 to 50C                             |
